Council on Environmental Quality*

*Subject:* Designation of Officers of the

Quality

By the authority vested in me as President by the Constitution and laws of the United States of America, including the Federal Vacancies Reform Act of 1998, 5 U.S.C. 3345 *et seq.*, it is hereby ordered that:

**Section 1. Order of Succession.** Subject to the provisions of section 2 of this memorandum, the following officials of the Council on Environmental Quality in the order listed, shall act as and perform the functions and duties of the office of the Chairman of the Council on Environmental Quality (Chairman), during any period in which the Chairman has died, resigned, or otherwise become unable to perform the functions and duties of the office of Chairman until such time as the Chairman is able to perform the functions and duties of that office:

**Notice—Continuation of the  
National Emergency With Respect to  
Persons Who Commit, Threaten To  
Commit, or Support Terrorism**

September 18, 2008

On September 23, 2001, by Executive Order 13224, I declared a national emergency with respect to persons who commit, threaten to commit, or support terrorism, pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701–1706). I took this action to deal with the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States constituted by the grave acts of terrorism and threats of terrorism committed by foreign terrorists, including the terrorist attacks in New York, in Pennsylvania, and against the Pentagon committed on September 11, 2001, and the continuing and immediate threat of further attacks against United States nationals or the United States. Because the actions of these persons who commit, threaten to commit, or support terrorism continue to pose an unusual and extraordinary threat to the United States, the national emergency declared on September 23, 2001, and the measures adopted on that date to deal with that emergency, must continue in effect beyond September 23, 2008. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing for 1 year the national emergency with respect to persons who commit, threaten to commit, or support terrorism.

This notice shall be published in the *Federal Register* and transmitted to the Congress.

NOTE: This notice will be published in the *Federal Register* on September 22.

**Message to the Congress on  
Continuation of the National  
Emergency With Respect to Persons  
Who Commit, Threaten To Commit,  
or Support Terrorism**

*September 18, 2008*

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice, stating that the national emergency with respect to persons who commit, threaten to commit, or support terrorism is to continue in effect beyond September 23, 2008.

The crisis constituted by the grave acts of terrorism and threats of terrorism committed by foreign terrorists, including the terrorist attacks in New York, in Pennsylvania, and against the Pentagon committed on September 11, 2001, and the continuing and immediate threat of further attacks on United States nationals or the United States that led to the declaration of a national emergency on September 23, 2001, has not been resolved. These actions pose a continuing unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared with respect to

persons who commit, threaten to commit, or support terrorism, and maintain in force the comprehensive sanctions to respond to this threat.

**Proclamation 8291—National Farm  
Safety and Health Week, 2008**

*September 18, 2008*

*By the President of the United States  
of America*

**A Proclamation**

Agriculture has always been a vital part of America's economy and culture, and our farmers and ranchers are among the best stewards of our land. During National Farm Safety and Health Week, we recognize those working in agriculture for their contributions to our Nation's prosperity, security, and health, and we also seek to raise awareness about the occupational hazards of this industry.

Farming and ranching are strenuous occupations, and workers can be exposed to many dangers, including those associated with extreme weather conditions, operating heavy machinery, and working with livestock. Teaching awareness about potential dangers, implementing preventative measures, and supervising children as they work and play can help mitigate risks and reduce the number of injuries and fatalities on farms and ranches.

Our Nation's farmers and ranchers exemplify the American values of hard work, deep commitment to faith, and love of family. During National Farm Safety and Health Week, we celebrate these extraordinary men and women who are building a prosperous future for our country.

**Now, Therefore, I, George W. Bush,** President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim September 21 through September 27, 2008, as National Farm Safety and Health Week. I call upon the agencies, organizations, and businesses
